

WELCOME to the HandsOn Network Online Marketing Resource Center powered by Baber!

It's easy to get set up and to begin placing orders. All you need to do is provide us with the profile information below and your Action Center's logos, and we will do the rest. We will enter your information and then email you your user ID and password, along with an instruction guide to get you started. If you do not have logos, we can create them for you. It's that simple.

You can place your orders online at your convenience 24 hours a day, 7 days a week. Your contact at BABER will be Sherri Moore. You can reach her at 800-847-7040, ext. 126 or e-mail her at smoore@baberweb.com. Our contact hours are 8 a.m. to 5 p.m. CST.

LOGOS: We will need 3 versions of your logo.

#1 - Full color version

#2 - 2 color version

#3 - Black & White version

5 color HandsOn logo

2 color HandsOn logotype

1 color usage

If you have your logos, please e-mail them to smoore@baberweb.com. The preferred file type for the logos is vector art created in Adobe Illustrator. All other files types will require our review. Most file types are acceptable for the full color version and the black and white version as long as they are a minimum of 300 dpi or higher. Files for the two-color version must be able to be separated into the 2 colors. We will let you know if there are any issues with your logos after you send them. If you need BABER to create your new HandsOn logos, you can email Sherri Moore or call her at 800-847-7040, ext. 126.
